

PROFESSIONAL SUMMARY

Dedicated Real Estate professional with over 4 years of experience generating and managing leads across U.S. and local markets. Proven track record qualifying both inbound and outbound seller leads, identifying motivation, and converting prospects through structured calling strategies and confident objection handling. Experienced working directly with U.S. investors and clients in fully remote environments, managing complex lead pipelines and CRM systems from first contact through to acquisition-ready handoff. Reliable, performance-focused, and detail-oriented.

PROFESSIONAL EXPERIENCE

Lead Manager — Real Estate

2025 – Present (≈1 Year)

Direct U.S. Clients & Investors — Remote

- Qualified both inbound and outbound real estate leads.
- Identified seller motivation and assessed property situations.
- Built strong rapport with homeowners through effective communication.
- Managed follow-up campaigns and nurtured leads until they became acquisition-ready.
- Maintained detailed CRM records, call notes, and pipeline organization.
- Coordinated with acquisitions teams to ensure smooth lead handoff.
- Prioritized hot leads and minimized lead loss through consistent follow-ups.
- Worked directly with U.S. investors and clients.
- Consistently maintained a healthy pipeline and contributed to higher conversion rates.

Real Estate Cold Caller

2022 – Present (3+ Years)

Dial Force · Peak Point · Skyline BPO · No Accent · RapidGen · PBS Company · Sup Solutions — Remote

- Generated and qualified real estate leads through outbound cold calling.
- Contacted U.S. homeowners to identify motivated sellers.
- Built rapport quickly and maintained professional conversations.
- Handled objections confidently and guided sellers toward the next step.
- Collected accurate property information and seller details.
- Scheduled appointments and transferred qualified leads to the appropriate team.
- Consistently met and exceeded daily and weekly KPIs.
- Recognized as a top performer in multiple teams based on lead quality and target achievement.
- Adapted quickly to different company processes, scripts, and markets.
