Abdulrahman Zidan

LEAD MANAGER · REAL ESTATE COLD CALLER · LEAD GENERATION SPECIALIST

Profile

Dedicated real estate professional with over 4 years of experience generating and managing leads across U.S. and local markets. Proven track record qualifying inbound and outbound seller leads, identifying motivation, and converting prospects through structured calling strategies and confident objection handling. Experienced working directly with U.S. investors and clients in fully remote environments, managing complex lead pipelines and CRM systems from first contact through to acquisition-ready handoff. Reliable, performance-focused, and detail-oriented.

Experience

Lead Manager — Real Estate 2025 – Present · ~1 Year

Direct U.S. Clients & Investors — Remote

- Qualified inbound and outbound real estate leads, assessing seller motivation and property situations.
- Built strong rapport with homeowners and managed follow-up campaigns until leads became acquisition-ready.
- Maintained detailed CRM records, call notes, and pipeline organization; coordinated with acquisitions teams for smooth handoff.
- Prioritized hot leads, minimized lead loss through consistent follow-up, and worked directly with U.S. investors and clients.

Real Estate Cold Caller 2022 – Present · 4+ Years

Remote — Multiple U.S.-Focused Teams

- Generated and qualified real estate leads through outbound cold calling, identifying motivated sellers among U.S. homeowners.
- Built rapport quickly, handled objections confidently, and guided sellers toward the next step.
- Collected accurate property and seller information; scheduled appointments and transferred qualified leads.
- Consistently met and exceeded daily and weekly KPIs; recognized as a top performer across multiple teams.
- Adapted quickly to different company processes, scripts, and markets.
